Total number of pupils on roll (at census January 2015)	14
Total number of pupils eligible for PPG	11
Amount of PPG received per pupil	PP: 11x £1,320
<b>Total amount of PPG received</b>	<b>£14,520</b>

### Record of PPG spending by project 2015 – 2016

Priority		Project	Cost	Objective	Outcome
One:	Social, Emotional and Behaviour (SEB)	Access to after school activities with support from Robson House staff	£1,000- Activities £1,500 Staff	To provide opportunities for individual and small groups of children to access after school activities to develop their SEB skills	Children attend after school activities with Robson house staff and show increased SEB skills <b>Children accessed weekly trips to City Farm, local parks, pottery painting and play activities both individually and in pairs</b>
Two:	Further enrichment of the curriculum to raise attainment	Theatre trips Visiting theatre groups	£1,000	To extend cultural experiences and opportunities to enjoy theatre. To build creativity and language skills	Increased language development  Increase attainment in reading and writing <b>(See Achievements and Standards Report) Bigfoot Theatre Company worked in each class on story telling.</b>

Priority		Project	Cost	Objective	Outcome
Two:	Further enrichment of the curriculum to raise attainment	Residential camping trip to Epping Forest	£1,000	To extend experiences and build confidence for all children	Increased self- confidence, greater independence, better team- working, collaborative skills and improved social skills Trip was cancelled by site at last minute due to emergency building works happening at the camping site. Fun Day and family BBQ organised at school instead. Children worked in vertically group teams at the fun day and 18 out of 20 children had family members attend the BBQ and look at their work and the classrooms.
Two:	Further enrichment of the curriculum to raise attainment	Transport	£1,000	To provide transport to enable all children to access school trips	Increased creativity and confidence in accessing the curriculum All children went on topic related class trips as transport was available. All KS2 children represented the school at sporting competitions and transport was provided to ensure everyone was included.

Priority		Project	Cost	Objective	Outcome
Three:	Families	Activities including Kayaking, trips, horse riding and refreshments	£1,500	To provide holiday activities across the school holidays for children and their families with familiar Robson House staff	Increasing numbers of families take part in holiday activities and have access to high quality activities and experiences More families especially those due to start at Robson House in September 2016 attended the summer activities. This helped families and children prepare well for the start of term and the family team worked in classes for the first week so the new children had familiar adults around.
Four:	Continuing and expanding music provision	Individual music lessons, new instruments and music books	Music Teacher: £2,420 Instruments: £2,000 Music books: £100	To continue individual music lessons and to provide opportunities for children to perform in Camden music concerts To purchase instruments and music to enable children to practice at home.	Increased numbers of children having individual lessons and children from Robson House performing in Camden concerts All children had access to individual music lessons. Instruments were purchased and all KS2 children had the opportunity to take an instrument home. This was taken up by 8 children. 6 children made musical animation dvds.

Priority		Project	Cost	Objective	Outcome
Five:	Maintain high levels of attendance	Staff to bring individual pupils to school if necessary	£1,000	To ensure that the very high levels of attendance are maintained for all children regardless whether they have access to the school bus	Very high levels of attendance are maintained Throughout the year staff collected children from home when needed to get them to school. <b>Overall attendance levels dropped this year due to the medical needs of a couple of children.</b>
Six:	Developing outside spaces	To enhance the outside spaces to support the development of children's physical skills and a gardening club.	£2,000	To support the development of children's physical skills and set up a gardening club.	Children develop their physical skills including recommendations from The Occupational Therapist Members of the gardening club nurture and tend the front garden and grow plants, fruit and vegetables <b>Gardening club took place every Friday afternoon with 4-5 children taking part over the year. 2 children also did a gardening project as part of their class curriculum</b>
