Total number of pupils on roll (at census January 2016)	20
Total number of pupils eligible for PPG	18
Amount of PPG received per pupil	£1,320
Total amount of PPG received	£23.760

Record of PPG spending by project 2016 – 2017

Priority		Project	Cost	Objective	Outcome
One:	Social, Emotional and Behaviour (SEB)	Access to after school activities with support from Robson House staff	£1,000- Activities £1,500 Staff	To provide opportunities for individual and small groups of children to access after school activities to develop their SEB skills	Children attend after school activities with Robson house staff and show increased SEB skills Children accessed weekly trips to City Farm, local parks, pottery painting and play activities both individually and in pairs
Two:	Further enrichment of the curriculum to raise attainment	Theatre trips	£2,000	To extend cultural experiences and opportunities to enjoy theatre. To build creativity and language skills	Increased language development and exposure Children all went on at least one theatre trip before Christmas

Priority		Project	Cost	Objective	Outcome
Two:	Further enrichment of the curriculum to raise attainment	Residential camping trip to Epping Forest	£1,000	To extend experiences and build confidence for all children	Increased self- confidence, greater independence, better team- working, collaborative skills and improved social skills This trip was cancelled due to staff absence and too many temporary staff covering. Instead, each class had days out and used the school bus so that everyone could be included in the trip.
Two:	Further enrichment of the curriculum to raise attainment	Transport	£3,000	To provide transport to enable all children to access school trips	Increased creativity and confidence in accessing the curriculum All children went on topic-related class trips as transport was available. Half the children represented the school either in football or swimming, again using school transport

Priority		Project	Cost	Objective	Outcome
Three:	Families	Activities including Kayaking, sports centre, boating, horse riding and refreshments	£3,000	To provide holiday activities across the school holidays for children and their families with familiar Robson House staff	Increasing numbers of families take part in holiday activities and have access to high quality activities and experiences More families attended the summer activities. This helped families and children prepare well for the start of term and kept a link with school staff. The half term activities weren't as well attended as the previous years and we are looking at how we can increase attendance at these. We are looking at the individual needs for the families concerned and whether different activities and size of groups need to change.
Four:	Continuing and expanding music provision	Individual music lessons, new instruments and music books	Music Teacher: £8,160 Instruments: £2,000 Music books: £100	To continue individual music lessons and to provide opportunities for children to perform in Camden music concerts To purchase instruments and music to enable children to practice at home.	Increased numbers of children having individual lessons and children from Robson House performing in Camden concerts All children had access to individual music lessons for the summer term. We were unable to source a music teacher for the first two terms.

Priority		Project	Cost	Objective	Outcome
Six:	Developing outside spaces	To enhance the outside spaces to support the development of children's physical skills and gardening skills	£2,000	To support the development of children's physical skills and encourage gardening	<p>Children have developed their physical skills including in areas recommended by the Occupational Therapist</p> <p>In mentoring some children nurtured and tended the front garden and grew plants, fruit and vegetables</p> <p>The children have picked, cooked, shared and eaten their produce.</p>
